

Colorado City Under Emergency Water Restrictions

Effective Immediately 7/23/2021 3:00 p.m.

Indoor use is limited, and outdoor use is prohibited (do not water your grass or livestock or wash your vehicles). The two primary water storage tanks in Colorado City need to fill and are not able to while water is being used.

Please check the Colorado City Metro District website for more updates

Resources

Water Dispensing Station

The *Pueblo Water* water dispensing station at 707 W. 3rd Street, Pueblo, CO 81003 will be open to Colorado City residents between 7 a.m. and noon on Saturday, July 24, 2021. This water station is for bulk water usage such as a cistern.

Customers must **SIGN UP FIRST** as a temporary customer in the Pueblo Water Engineering building, 301 N. Elizabeth, before using the water dispensing station. The dispensing station will remain open after that, but Colorado City customers must SIGN UP FIRST in order to access the water.

Showers at Recreation Center

5000 Cuervo Verde

Saturday 7/24 10:00 a.m. - 2:00 p.m.

Sunday 7/25 2:00 - 6:00 p.m.

Drinking Water

Available at Ace Hardware

Residents can present ID to receive bottled water for drinking and cooking needs at the Ace/Valley Market parking lot.
