Board of Directors

Frontier Pathways
SCENIC & HISTORIC BYWAY

AMERICA'S BYWAYS® Frontier Pathways is dedicated to promoting and preserving the region's diverse heritage, and cultural and natural resources, while encouraging tourism, through education and economic development.

FOR IMMEDIATE RELEASE:

November 5, 2019

Scenic and Historic Byway Needs Citizen Input

THREE PUBLIC MEETINGS WILL BE HELD:

November 20th in Westcliffe, 5:00 - 7:00 pm at All Aboard Westcliffe

November 21st in Colorado City, 1:30 - 3:00 p.m. at the Greenhorn Valley Library

November 21st in Pueblo, 5:30 - 7:00 p.m. at the El Pueblo History Museum

The **Frontier Pathways Scenic and Historic Byway** is a National and State Byway encompassing Highway 96 and Highway 165. The Byway will be conducting a series of public meetings to get input that will help shape the Byway's future. The Corridor Management Plan must be updated every ten years in order for the Byway to remain certified as a National Scenic and Historic Byway. We need input from communities, businesses and property owners on the Byway including Colorado City, Rye, Lake Isabel, McKenzie Junction, Silver Cliff, Westcliffe, Wetmore and Pueblo.

The management plan addresses protecting and promoting the Byway's natural, historic, scenic and cultural resources, while balancing these with the economic development of the region. Come to this important, open meeting, to learn more about what we do, and to offer your insight and ideas, for establishing the priorities for the volunteer board to work toward.

Light refreshments will be provided.
